

# NEXT STEPS

## **3/18/24 - Announcement from the Transition Team**

Please read for important updates regarding the next in-person meetings:

### **Definitive Agreements Review:**

We are looking forward to sharing the finalized agreements with everyone at our sessions to review them this week! We are changing the location to be the Chapel for both nights. As a reminder, here are those dates & times:

**Tuesday, March 19 @ 7:00 pm in the Chapel**

**Thursday, March 21 @ 7:00 pm in the Chapel**

### **Information Session Date Change:**

We have chosen to reschedule the information session to **Sunday, April 21 @ 4 pm** (directly before the next Quarterly Meeting). We made this decision because this week's review sessions will cover our legal update, and then Easter and Spring Break quickly follow. We hope this is a more convenient meeting time for the congregation.

### **Praise:**

Flow Test Results were satisfactory!
